The Illinois State Board Of Education Noted In April That Years Of Education Cuts Have

“Led To The Loss Of Thousands Of Teachers And Aides, Increased Class Sizes.”

“ISBE’s recommendation comes after years of funding reductions, totaling nearly \$2.7 billion since Fiscal Year 2009, that have led to the loss of thousands of teachers and aides, increased class sizes, and cuts to music, art, sports, and many other educational programs and local school services.” (“Fact Sheet: Illinois Education Funding & Recent Cuts,” [Illinois State Board of Education](#), 4/14)

Quinn Signed A 67 Percent Tax Increase On All Illinoisans Into Law In 2011. “Gov. Pat Quinn on Wednesday defended his plan to sign an income tax hike that's twice as big as he promised during his campaign, saying the state's ‘fiscal house was burning.’ The governor rejected criticism he had double-crossed voters when he cut an 11th-hour deal with fellow Democrats in the General Assembly to raise the personal income tax rate 67 percent.” (Monique Garcia and Todd Wilson, “Quinn: Fiscal house 'Burning',” *Chicago Tribune*, 1/13/11)

“Quinn raised taxes by 67 percent on every Illinoisan. Pat Quinn a broken record of broken Up 67%” promises.”
