This post has been fact checked and found to be False. "The church pictured in the Facebook post is Lakewood Church in Houston. It's one of America's largest megachurches with approximately 45,000 people attending services and activities every week. While Lead Stories couldn't find anything about Ukraine on the church's website, the congregation's Facebook page was a different story. A post and video (archived here) from March 7, 2022, said:

Not only are we praying for the people of Ukraine, but we are also doing what we can to partner with churches that are helping refugees fleeing the war in places like Slovakia and Poland. With our partnership with Dr. Todd & Sue Price, we are working inside Ukraine to help those who are in the midst of the conflict right now. We will continue to look for ways to help. Thank you for partnering with us!"
