

SOCIAL SECURITY

IF YOU
have a problem with the sink,
YOU DON'T
tear down the entire house.

Let's not turn Social Security into Social Insecurity.
Yes, the program is in need of reform, which can be done with a few moderate changes, but it is not in need of a radical overhaul.
Creating private accounts that take money out of Social Security is an extreme measure that will hurt all generations and could add up to two trillion dollars in more debt. Let's not stick our kids with the bill.
Call your legislators at **1-800-307-8525** and urge them to oppose private accounts that put Social Security at risk.
