RE: Child Support Recovery
Dawson Point Building
2801 Old Dawson Road
Albany, Georgia 31707

Dear Mr. Ross:

As I understand there are plans to build a new DFACS building in Albany; this building may house the referenced tenant. If my understanding is accurate, please allow this letter to serve as a friendly request to allow Child Support Recovery (CSR) remain at 2801 Old Dawson Road at least until June 30, 2001.

As you may recall, in May, 1996, we paid for \$60,125 tenant improvements and a \$65,900 elevator to help CSR relocate to Dawson Point. We amortized the cost of said improvements over 60 months. As of June 30, 1998, there were about thirty-six months cost amortization remaining. Accordingly, we respectfully request your favorable consideration in allowing CSR remain as tenant at Dawson Point until we can completely amortize \$126,025.

Mr. Ross, please call with any questions or requests.

Sincerely,

Glenn M. Booker
