*Caseload data extracted from the United States Attorneys' Case Management System.

**Includes any and all criminal cases where 18 U.S.C. 922 or 924 was brought as any charge against a defendant. However, both statutes were run together to eliminate any double counting of cases/defendants when more than one subsection of Section 922 or 924 was charged against the same defendant, or both Sections 922 and 924 were charged against the same defendant.

***FY 2019 numbers are straight-line projections based on actual data through the end of June 2019. FY 2006 and 2007 data may reflect a slight decrease in pending counts due to LIONS centralization.

****Disposition information based on firearms offense only.
