

Supreme Court Nomination

Dear Republican,

Today, President Bush announced his choice to succeed Justice Sandra Day O'Connor as the next Supreme Court Justice: Harriet Miers. Ms. Miers is the third woman to be nominated for the Supreme Court, and like Justice O'Connor is a legal trailblazer. Ms. Miers is an extremely well-qualified and fair-minded individual who is committed to interpreting the law instead of legislating from the bench.

President Bush selected Ms. Miers after embarking on a thorough and deliberate thought process. This confirmation however promises to be much more contentious than the confirmation of Judge John Roberts. Before Ms. Miers was even announced many Democrat groups said they would oppose her. They have no interest in giving Ms. Miers a fair hearing or vote. They are promising to throw every punch, make every accusation and pressure every Senator to oppose this nominee no matter what her qualifications may be. We have to be prepared to counter their actions and that is why Harriet Miers needs your help.

In the coming years and decades, the decisions the Supreme Court makes will greatly affect all of our lives. We need a jurist on the court who will not legislate from the bench, who will approach cases with an open mind and who will be fair. Ms. Miers is that jurist. Call your Senators. Tell them to vote yes on the confirmation of Harriet Miers.

Sincerely,

Ken Mehlman,
RNC Chairman
