Last update: 10/31/2022

Data source: <https://www.upliftcampaigns.com/azballotreturns> (<https://www.upliftcampaigns.com/azballotreturns>)

These data are compiled by the Arizona Democratic Party from county election officials. You can follow updates from Sam Almy (<https://twitter.com/sfalmy>).

Total Early Votes: **895,351**

In-Person Early Votes: **0**

Mail Ballots Returned: **895,351**

Mail Ballots Requested: **3,048,121**

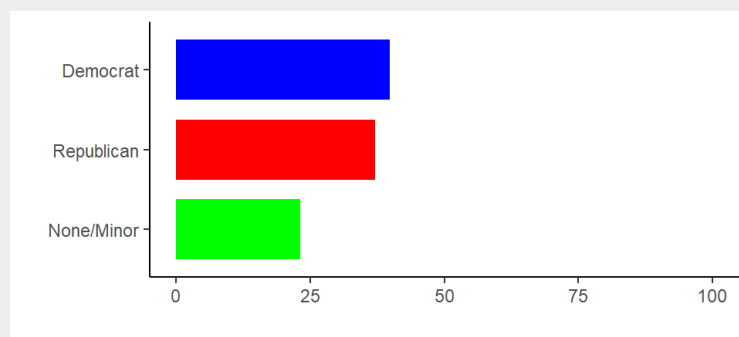

State Summary Statistics

Total Voted

Mail Ballots

Total Voted by Party Registration

Party	Count	Percent
Democrat	356,230	39.8
Republican	331,420	37.0
None/Minor	207,701	23.2
TOTAL	895,351	100.0

Note: Party registration statistics are for states that have party registration. These statistics are not actual votes. By federal law, election officials do not begin counting ballots until Election Day, although they may start the process of preparing ballots for counting in advance.
