Malala, the girl who received a Nobel peace prize for standing against the Taliban, is the same girl who is silent about the cries of women and children suffering at the hands of the Taliban. Performative activism will always get exposed.

She was literally shot in the face

*spits mouthful of blood onto floor*
You've become far more powerful since we last crossed paths
Dentist: Please stop, there's literally a sink right next to you

OnlyFans announced that they're going to ban adult content from their site. They will be promoting cooking tutorials, yoga routines, and interviews. I'm sorry but this OnlyFans rebrand is going to be so awkward lmaooo
