

Replying to @Parsifaler

Five vaxxed British Airway pilots just died in a week from heart attacks and internal bleeding.

A 6th has severe blood clots that have disqualified him from flying.

5 commercial pilots in India just died after being vaxxed in May.

They've all heard.

stephaniachristianofficial

stephaniachristianofficial Sorry #pilots #pilotslife best be getting that clotting factor checked ! #airforce 🙏🙏
