We have launched a task force to defend the Constitutional right of our military to refuse compulsory vac. This group of veterans and other community pillars will uphold the Constitution, as we expect our men and women in uniform to do.

@davismonthan_afb, you are in OUR territory, and you will NOT

I'm serving Pima County with the Declaration tonight:

We are putting you on notice that voting to institute compulsory masking in schools is sedition against State Law and will be treated as such. Forcing healthcare workers to take an injection against their conscience is a gross violation of their Natural Rights.

You are hereby served with this Declaration of the People's Natural Rights:
