

ABOUT US

We are a group of educated, God-fearing Christian conservative patriots who are tired of Obama's tyrannical reign and ready to see a strong Republican take the White House. We are sovereign citizens who want our government to keep its nose out of our business. We believe in guns, God and the Constitution and will go to any lengths to take OUR country back from the whiny, politically correct liberal masses.

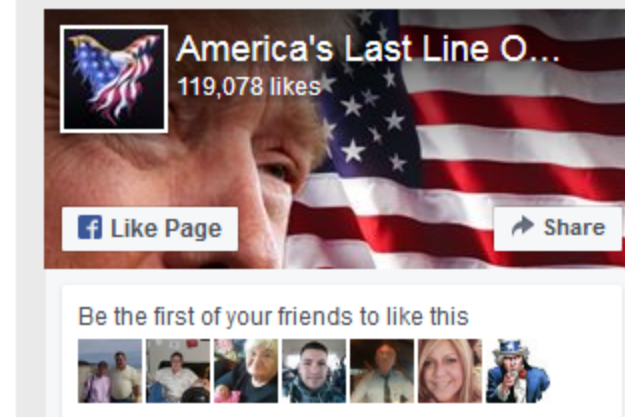

Join **THE RESISTANCE** today and help us in our mission to be THE LAST LINE OF DEFENSE against anyone who doesn't love The United States of America and fight for the rights afforded to us by our beloved Founding Fathers.
