ROB SIMMONS.
HIS "CAP" AND "TRADE" PLANS WILL HURT CONNECTICUT.

Any way you slice it,
SIMMONS' NATIONAL ENERGY TAX WILL COST OUR FAMILIES AND CONNECTICUT JOBS.
“Trade” votes with liberal House Speaker Nancy Pelosi.

Simmons voted 1,859 times with Pelosi – aligning with the liberal San Francisco Speaker 58% of the time. Simmons has co-sponsored bills with Nancy Pelosi 192 times, including liberal Congressman Henry Waxman’s Cap-and-Trade bill – a national energy tax that even Democrats admitted will put people out of work.  

“Cap” small business growth.

Simmons was an original co-sponsor with Nancy Pelosi of legislation backed by Washington union bosses that would deny workers a secret ballot when voting on whether or not to form a union that is often referred to as “Card Check.” 1
