SENSIBLE GUN LAWS SAVE LIVES

MAJOR SCHOOL SHOOTINGS IN THE UNITED STATES SINCE 1997

The Brady Campaign compiles this list of school shootings based off of the criteria that the shooter was directly linked to the school and at least one person was shot on school property. School mass shootings where three or more people (including the shooter) were either injured or killed are highlighted in red. This is based on a compilation of news reports. Each entry lists the city, state and date of the incident, brief details on the shooting, and the source of the information.
