ABOUT US

We are a group of educated, God-fearing Christian conservative patriots who are tired of Obama's tyrannical reign and ready to see a strong Republican take the White House. We are sovereign citizens who want our government to keep its nose out of our business. We believe in guns, God and the Constitution and will go to any lengths to take our country back from the selfish, politically correct liberal masses.

Join us today and help us in our mission to be THE LAST LINE OF DEFENSE against anyone who doesn't love the United States of America and fight for the rights afforded to us by our beloved Founding Fathers.

DISCLAIMER: America's Last Line of Defense is a satirical publication that uses the imagination of liberals to expose the extreme hypocrisy and hate and subsequent blind self-righteousness that festers in right-wing minds. We present fiction as fact and our sources don’t actually exist. Names that represent actual people and places are purely coincidental and all images should be considered altered and do not in any way depict reality.

In other words, if you believe this crap you’re a real dunce.
